Bliss Quotient

Every brick hurled at me, a castle will be built,  
Every storm raged, a rainbow vision felt,  
In Cosmic darkness I saw creations zillion,  
Every Corona body has helping arms outstretched billion;  
From the dull egg a myriad-coloured peacock emerges,  
Each struggle-a learn, every pain - a happiness in disguise!  
Earth repairs its mangled mantle after eons of abuse:  
Meanwhile let's celebrate Zindagi/ Jeevitham,as Bliss is our Birthright!

Happiness is a choice,  
Choose to make good things,which everyone makes happy,  
Very little things happy in our life;But  
Time takes some efforts to learn happy,  
Life is what you make it,  
Be satisfied by the thing you made it,  
Count your blessings by making others happy,  
Carry a smile with kindness and grace,  
Thank the God for being happy...!!!

\*"HAPPINESS IS A CHOICE"\*

\*Life is too short, make the most of it.\*  
\*Spread a little kindness sprinkle as you go,\*  
\*Where the good feelings came and the pain will all subside.\*  
\*So enjoy your special moments, like a colourful butterfly.\*  
\*Forget the sad moments in the past,\*  
\*Leave the fear about the future,\*  
\*Fill the present moment with positive thoughts.\*  
\*You'll find that your own happiness will grow and grow\*.

\*HAPPINESS IS CHOICE\*

Everything in our life is a reflection only.  
Our happiness will not be come to you,  
it will come from you.  
What our mind think that arise with our thoughts.  
Surrounding you only all activities happens.  
Happiness given by GOD,it will follow you as your shadow.  
If you catch it , it move away.  
Happily travel on it and no destination in your life.  
\*Be happy make others happy\*

HAPPINESS IS A CHOICE  
Being perfect is a choice,  
But learning from imperfections is happiness. Listening to others is a choice,  
But listening to our inner voice is happiness. Being strong is a choice,  
But working hard for it is happiness. Choosing a path is our choice,  
But reaching it in the right way is happiness. Nothing will make us happy,  
Until we choose to be happy

Years it has been, since  
my hunt for the star  
on the horizon began.  
I scarce remember a life before.

The sky gem drew me in  
shining, tempting, dazzling  
assuring me that the journey  
would be worth it all  
in the end.

But those murky choices made  
all proved to be naught  
when i looked within  
to find a diamond filled sky

in my haste to attain the elusive,  
I had failed to realise  
that I had many more, warmer and brighter  
if I had just looked inside.  
A dark past invalidated.

But for a brighter dawn ahead.

\*Happiness is a choice\*

\*Mirthful\* laughter is our breath - not a Fantasy;  
\*Merry\* ness in life arise from Mercy

\*Pleasure\* of victory on pandemy - very soon;  
Perfect \*glee\* of people globally

Help the deprived and get \*delighted\* - of course;  
\*Happiness\* is within us, known one is enlightened

Lifting last man to rise up - Indeed;  
\*Lovely rejoice\* arise you up

Every morning when I woke up, Choose to be happy and stand strong on that,  
So the day of mine will be so precious and encourageous,  
No one makes us happy than ourself,  
Happiness is in our hands no one can give it and grab it,The secret of being happy is accepting  
where you are in life and making the best  
out of every day knowing happiness is a  
choice that requires effort at times, so make

today amazing and stop complaining and appreciate what you have.

- \* In this lockdown atrocity ,  
Happiness is necessity ,
- \* When seeing mountains and peaks ,  
I can feel the nature speaks ,
- \* Sound of the birds that sing ,  
And when fragrance of the flowers that swing ,
- \* On seeing the people in prayer for others ,  
Caring and nursing along with doctors ,
- \* When donating to the needy with joy ,  
Happy to see when they enjoy ,
- \* When my family enjoy in my cook ,  
And when they help me to give it a grand look ,

\* When the kindness overflow like a rain ,  
Happiness will be our gain !!

\*A little poem - I choose to be happy:\*

-----  
While there's life, there is hope.

While there's hope, there is a dream.

While there's dream, there is faith.

While there's faith, there is a success.

While there's success, there is a joy.

While there's joy, there is always happiness.

That's all about in life, to be happy! So tell me can you choose your happiness?

Happiness is a choice, Not a destination Design your life as an artist

Act your life as a hero

Run your life as an athlete

Because

Happiness is a choice, Not a destination Add pleasant moments in your life Subtract frustrations in your life

Multiply positivity in your life

Divide love to all in your life

Because

Happiness is a choice, Not a destination

The happiness of your life  
Depends upon the quality of  
Your THOUGHTS  
Judge nothing, you will be HAPPY  
Forgive everything you will be  
HAPPIER  
Love everything you will be  
HAPPIEST  
Joy is based on what is happening WITHIN YOU

\*Happiness is a choice!\*

When dark clouds surround...  
And no silver linings abound!

Where there's such a heavy cost...  
And all just seems lost!

What is only sure...  
To restore us our poise,

Is quite simply... Our  
happiness is a choice!

Glazing out of the window.  
Eyes captured a beautiful pastel shaded butterfly,  
Unmindfully,my mind got seated on her livelihood!!  
With no baggages and garbages to mind,  
With just the wings to fly,raindrops to bathe.  
Sunlight to dry,breeze to breathe,flowers to feed,,Life in its simplitude,  
Love to multitude.pleasures in plentitude

But the choice...  
Is the attitude!!

I usually say the aim of life is to be

"Happy"

Our existence is based on

"Hope"

Our life is rooted in the opportunity to be

"Happy"

Not Necessarily "WEALTHY" but happy with our

"OWN MINDS"

If we only indulge in sensory "pleasure"

We will be little different from

"ANIMALS"

In fact we have this marvelous

"BRAIN AND INTELLIGENCE"

We must learn to use it
